

Objective:

Cover 5 career circles in your pathway grouping AND name 10 agriculture and natural resource careers without looking at the game board to win.

Number of players: 2-4

Setup:

1. Place the game board on a flat surface.
2. Use a six-sided die or number 1-6 on small folded papers in a cup for drawing.
3. Each player needs 6 small objects such as beans, popcorn kernels, or coins to use as tokens. 1 token for moving around the board and 5 tokens for covering career circles in the pathway grouping.
4. Each player selects a token and places it anywhere along the game board path.

Discover Agriculture Careers CAREER TREK

Explore careers that supply the food, clothing, and shelter we rely on every day.

Game play:

1. Players take turns in clockwise order.
2. On your turn, roll the die or draw a number (1-6) from the cup, then move your token forward that many spaces.
3. If you land on a career space matching an open circle in your pathway grouping, place a token to cover that circle.

Winning the Game:

To win the game, cover 5 career circles in your pathway grouping, then turn away from the board and attempt to name 10 careers in agriculture and natural resources.

If you succeed, you win! If you fail, remove all your tokens, and the game continues.
